TOP WORKPLACES**

## BECOME A PART OF THE FUTURE OF MANUFACTURING

### About OptiPro:

OptiPro Systems has over 35 years of experience developing and manufacturing precision machines and metrology systems. We are a global leader in designing and building computer controlled grinding, polishing, and measuring equipment for the precision optics and advanced ceramics industries.

OptiPro has represented only the finest machine tools since 1982. We are New York State's premier machine tool tech center and knowledge base.

OptiPro has been an authorized Mastercam distributor and training facility since the release of its first version in 1983.

### Exciting Careers for College and Trade School Graduates:

- Mechanical Engineers • Software Engineers • Electrical Engineers • Process Engineers • Process Technicians/Opticians
- Machinists • Machine Assembly Technicians • Service Technicians • Mastercam Support and Training • Sales & Marketing
